

Athboy Community School

Learning Code Policy

February 2024

1. Aims of the Learning Code

The Learning Code in Athboy Community School aims to ensure that positive behaviour is recognised and encouraged and to allow all students to learn and all teachers to teach without disruption.

2. Expectations of Students

Our Learning Code is based on the following expectations for all students:

1. All students should communicate positively and effectively by their words, actions and gestures with each other and with staff at all times.
2. Students must attend all classes on time, bring a charged device, all necessary materials and homework to class.
3. Students are expected to participate in class to the best of their ability.
4. Students should be sustainable, dispose of rubbish appropriately and
5. take care of school furniture and equipment.
6. Students should follow guidelines relating to using toilets, going to lockers and the correct use of phones (3rd-6th Year). 1st and 2nd Years should not have phones.

3. Positive Behaviour Approach

All students are encouraged to demonstrate positive behaviour and staff are committed to recognising and commending the following types of behaviour:

- A. Oral contributions in class
- B. Active Listening
- C. Improvement in classwork or homework
- D. Commendable Acts of Kindness
- E. Ongoing hard work
- F. Positive school spirit
- G. Good manners
- H. Creativity in Music or Art
- I. Sustainability
- J. Taking initiative
- K. Digital Skills
- L. Sporting talent
- M. Being good with your hands
- N. Other talents, skills, achievements

4. Positive Behaviour Awards

4.1 Awards

Every student has an Assets Portfolio which records the Assets, Citations and Superlative Notes they accumulate during the school year. (*See Appendix 1*). Students can earn assets in many ways. The types of awards are as follows:

1. **Asset** - an award given in the journal recognising an achievement in class, in extra curricular activities, school events or outside of school (*See Appendix 2.*)
2. **Citation**- a major achievement given as a Citation Note in the journal for an achievement which required preparation or training and significant effort by the student (Equal to 5 Assets) (*See Appendix 3.*)
3. **Superlative**- an outstanding award for an achievement which required a lot of preparation or training over a significant time as well as supreme effort by a student (Equal to 10 Assets) (*See Appendix 4.*)

4.2 Certificates

Student of the Week and the Student of the Month Certificates are awarded based on the number of Assets in the students' portfolios at assemblies. There is a Most Improved Student of the Month Certificate for the students who have increased their assets most significantly. The class who has the best Assets Portfolios win a prize each month also.

4.3 Honour Roll

Students who maintain an Assets Portfolio which ranks in the top 10% of their year group secure a place on the Honour Roll which is published each half semester on the Honour Roll Notice Board outside the Principal's office and on the Students Year Group Teams News Channel, in Staff and Parents weekly updates, on the school website and in the Principal's Report to the Parents Association and to the Board of Management.

4.4 Role of the Positive Behaviour Coordinator

There is a APL postholder in the role of Positive Behaviour Coordinator who oversees the administration of Awards, Certificates and the Honour Roll. The Coordinator liaises with the year heads and ensures that accurate records are recorded and the maintained and with the prefects who keep records of Assets, Citations and Superlatives through each students Asset Portfolio. Students have the responsibility to maintain their Asset Portfolios accurately.

4.5 Role of the Prefects

Each class has a prefect who maintains the Positive Behaviour Record for the class, under the supervision of the Positive Behaviour Coordinator.

5. Disruption of Learning

5.1 Supports for Students

Our Learning Code recognises that sometimes disruptions to learning happen in school and also that there are different types of disruption to learning. It recognises that students make mistakes, forget things and have days that are more difficult than others.

5.2 Note of Concern

If a student disrupts learning for the first time in a particular class, they are given a verbal warning and a written **Note of Concern** in the journal to encourage them to avoid this type of behaviour. One **Note of Concern** can be given per teacher per student. This note does not count towards levels on the Learning Code. If the behaviour is repeated, an Amber or Red note may be written in the journal (*See Appendix 5*).

5.3 Amber Notes

Organisational issues sometimes cause disruptions which take up class time and stop learning. These include:

- i. Coming late to class without a note
- ii. Coming to class without books, copies, equipment
- iii. Not doing homework including learning homework
- iv. Not charging the laptop
- v. Not wearing the full uniform/tracksuit on the correct days.

These issues, when repeated, will result in an **Amber Note** being written in the journal. Students will have to do extra work or a brief teacher's detention during the day to make up for the disruption and will get the note signed by a parent/guardian and Year Head. Students who don't do the extra work will be given double the work, unless a note is provided or extenuating circumstances occur (*See Appendix 6*).

5.4 Red Notes

Deliberate/serious behaviours which disrupt learning in class and outside of class include:

1. Talking, shouting, laughing, making noises, comments or gestures which insult any other person
2. Ignoring instructions, asking unnecessary questions, deliberately delaying doing something
3. Using inappropriate language
4. Taking/damaging property without permission
5. Refusal to hand the journal to a member of staff
6. Refusing to go to another teacher's room when instructed
7. Tampering with the school journal or not having a journal in class
8. Leaving class without permission or not attending class
9. Vaping/smoking

These behaviours, when repeated, will result in a Red Note being written in the journal. Students will be given extra work or a brief teacher's detention during the day to make up for the disruption and will get the note signed by a parent/guardian and Year Head. Students who

don't do the extra work will be given double the work, unless a note is provided or extenuating circumstances occur (*See Appendix 7*).

Students on Level 2 upwards will need Year Head approval to go on a school trip, particularly if there are concerns around health and safety of a student going on a trip due to behaviour.

5.5 Levels of the Learning Code

There are four levels in the Learning Code and students progress through levels if they continuously disrupt learning despite the many supports that are put in place. Parents/Guardians are involved at every stage of the process and are invited in for meetings to discuss how best to support their child at each level.

At each level, there are clear steps that will be followed for the student.

The timeframe for notes is one semester. At the end of each semester, students get to start afresh. If students have reach five Amber or five Red Notes and have gone onto a level, they only restart at the level they are on. They do not go back a level unless the do the Buy Back option (*See 5.6 b. below and see Appendix 12 for Levels of the Learning Code Poster*).

Levels of the Learning Code	
The four levels of the Learning Code are as follows;	
LEVEL 1	
If you get...	What happens?
<p>5 Amber notes + extra work/detention and/or</p> <p>5 Red notes + extra work/detention</p>	<ul style="list-style-type: none"> • After 5 Amber Notes only, student may go on an Organisational Report • Learning Review Form to fill out at home • Meeting with parent/guardian • Level 1 Support Book for 5 days, signed daily by Year Head and parent/guardian.

5.6 Additional Supports

a. Care Team

Students will meet with a member of the Care Team for additional support at each level.

b. The Buy Back

If a student goes five weeks without an Amber or Red Note, they can buy back one level and start afresh.

c. Year Head Note

When a student is on a Support Book, they are not given Amber or Red Notes, however, if they a comment from a teacher indicating that they are deserving of either, the Year Head will hold detain the students to re-emphasise the importance of positive behaviour (*See Appendix 8*).

d. Detention Note

If the Year Head detains a student after school, a detention Note will be issue at least 24 hours in advance so that a parent can make arrangements to collect the student if necessary after the detention (*See Appendix 9*).

6. Serious Incidents

In some cases, a serious incident may result in a student going straight to **Level 4** of the Learning Code. That decision is made by the principal. Such incidents include but are not restricted to the following types of behaviour :

- i. Consistent refusal to co-operate with a staff member
- ii. Aggressive behaviour towards any member of the school community
- iii. Fighting
- iv. Theft
- v. Vandalism
- vi. Bringing or having illegal substances in school
- vii. Bringing a weapon or anything that may be used as a weapon to school
- viii. Bullying/Cyberbullying
- ix. Inappropriate/Unsafe/Intimidating Behaviour
- x. Inappropriate use of technology of any kind
- xi. Behaviour which threatens the safety, security and learning environment of the school.

The outcome of these incident may result in a suspension and/or in a report being brought to the Board of Management in a recommendation to expel. (*See Suspension & Expulsion Policies*).

If a report is not brought to the Board of Management, other sanctions such as suspension, the use of a support book, loss of privileges etc... may apply.

A Report of the incident will remain on the students' file indefinitely.

7. Phone Policy

Under the Learning Code, issues with phones are dealt with separately. There is a phone Misuse Note, which teachers may give if a student is using a phone inappropriately in class. 1st and 2nd Years do not need to have phones in school. If a parent would prefer that a student in 1st or 2nd Year has a phone in school, they can inform the Year Head in writing. If a student receives three Phone Notes, the Year Head will contact the parent and make arrangements in relation to the phone (*See Appendix 10*).

8. Implementation of the Learning Code

A pilot is running with First Years in Semester 3 of 2023-24 to trial the new Learning Code and booklets have been printed for First Years to carry with them at all times.

On completion of the pilot, data will be gathering from the students, teachers, SNAs and parents/guardians in relation to what went well and how the code could be improved.

The amendments will be made and it will be brought to the Board of Management for ratification prior to the start of the school year 2024.

9. Policy Review

The Learning Code will be reviewed each year and amended as needed.

A copy of this policy will be made available on our app and website when ratified. This policy was adapted by the Board of Management - February 2024

10. Parental/Guardian Consent to the Learning Code

I agree to support the Learning Code of Athboy Community School and to encourage my child to adhere to the Code..
